Mr. Bromberg,

I note that Mr. Popofsky has left the country at this very time, when he had threatened us both in and outside of court and in his communication of last Thursday. You are now continuing this threatening approach notwithstanding full cooperation and fulfillment of the requirements of the Order from Judge Batts.

Regarding your points:

1. Attached to my Answer were the three written instructions for the three transfers (the only additional transfer was to your firm last Thursday);
2. The only confirmation of each transfer was the full print outs from Citibank (including the Global Reference number), each one of which was attached to my Answer;
3. Provided to you as another attachment to my Answer were copies of my correspondence regarding the Benthos escrow funds;
4. The clear conclusion is that there is no deficiency in what has been provided to your firm.

I can only conclude that you are continuing to harass me personally on this matter with no basis for doing so as I have been rendering continuing service, far in excess of that called-for as Escrow Agent, for no personal gain from your client but rather for their benefit and that of the party with whom they contracted.

I reserve the right to seek redress from the action of your now absent colleague and yourself.
